Dear Tom:

By way of introduction, I have recently assumed the position of President and CEO of Satiety, Inc. With the assistance of Angela Macfarlane and after due consideration, we have decided to move the Satiety patent portfolio to John Nagy at Fulwider, Paton, Lee & Utecht, LLP. As such please forward all Satiety matters, client number 51436, to John's attention at:

Several factors have gone into the decision making process, and certainly decisions like these are difficult to make. Please feel free to give myself or Angela Macfarlane a call to discuss if you have any questions.

Thank you for your past service and continued cooperation in the transition of our portfolio to John. We appreciate the time and attention you and your associates have spent on our behalf.

Sincerely,

Greg R. Patterson
